ASSISTIVE TECHNOLOGY

A WORK STATION WHICH IS ADAPTED TO SUPPORT DYSLIXIC DIFFICULTIES

SHE MIGHT FINALLY BE GETTING THE IDEA !!!

POSSIBLY

PERHAPS

I THINK

SUCCESS FOR EMPLOYER

WHAT

WHERE

SUPPORTIVE, NON MICRO MANAGED ENVIRONMENT

SUCCESS FOR EMPLOYEE

WHEN

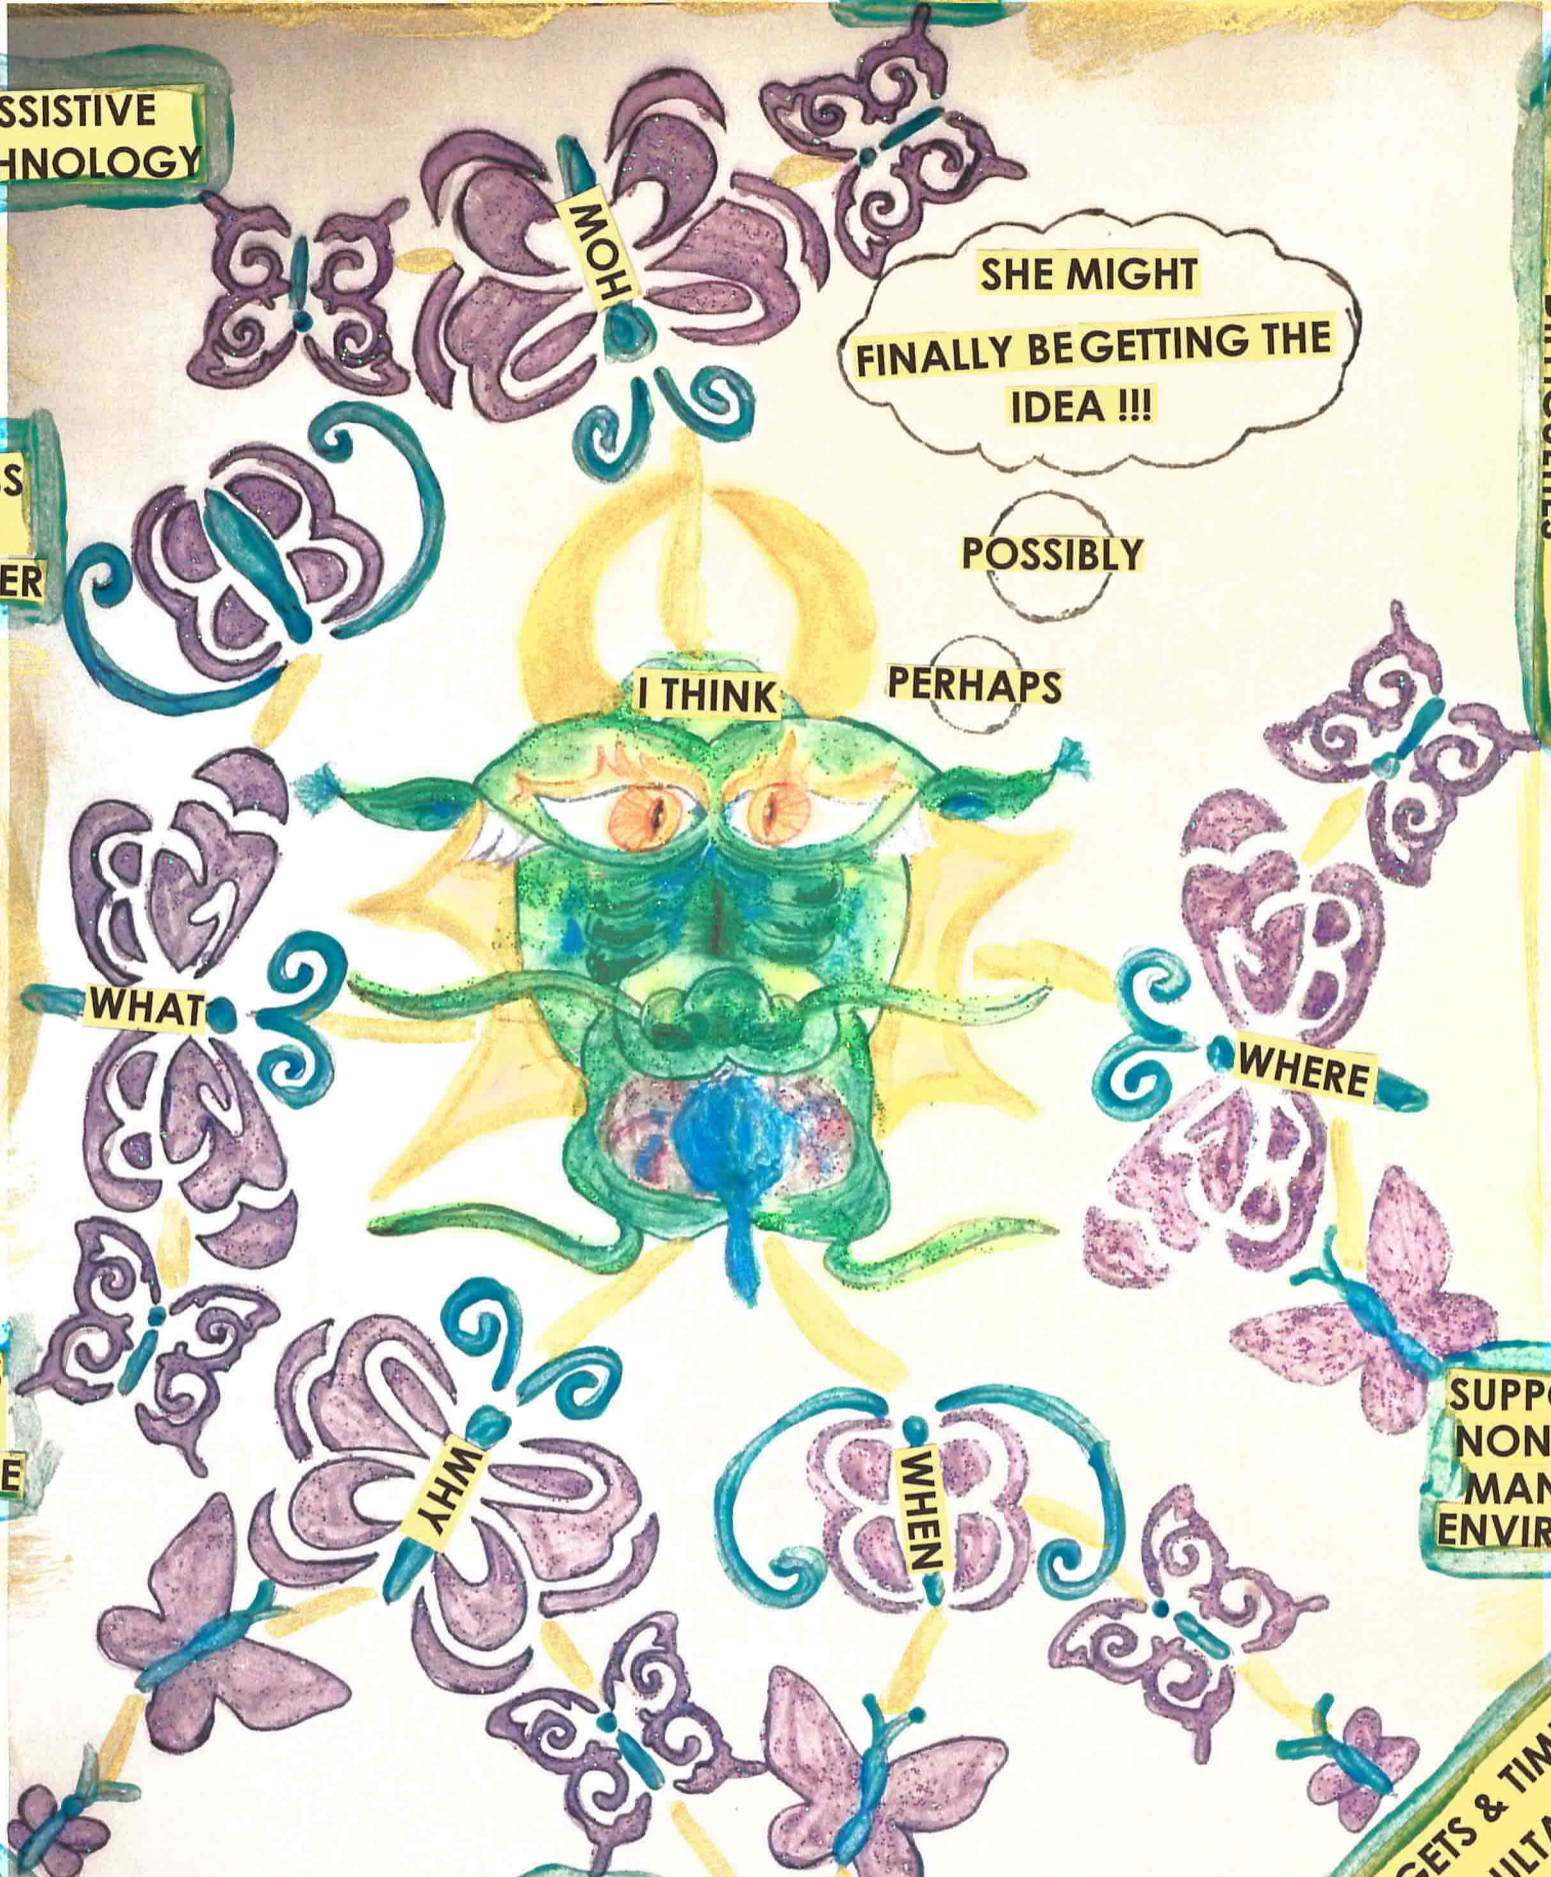

WHY

SCHEDULES TARGETS & TIMESCALES CREATED IN CONSULTATION WITH THE INDIVIDUAL WITH DYSLIXIA

FLEXIBILITY TO ALLOW FOR STRESS & BREAKDOWN OF COPING MECHANISMS

TO ALLOW THE INDIVIDUAL WITH DYSLIXIA TO BE CONFIDENT & LESS STRESSED

SO THAT EVERYONE IN THE WORKPLACE CAN DO THEIR BEST WORK. ALLOW THEIR TALENTS TO SHINE THROUGH AND SO THAT THE BEST AND MOST INNOVATIVE PRODUCTS (AND SYSTEMS) CAN BE OFFERED TO CUSTOMERS.

MOH
